Article 19 Amendment for the Examiner's convenience. As the Article 19 Amendment was submitted in the international stage, it was not required to reflect the US national amendment format.

Since no amendment was submitted by Applicants on April 7, 2008, the Notice of Non-Compliant Amendment was issued erroneously and Applicants request withdrawal of that Notice. Applicants further request that the Office Action mailed January 9, 2008 be reissued in light of the claims as amended in the international stage under Article 19, i.e. claims 2, 5-8, 10, 12, 13, 15, and 18-23 were amended and claims 1 and 14 were canceled. Applicants request early and favorable action on the merits of the application in the form of a Notice of Allowance. The Examiner is invited to contact the undersigned if any issues remain.

Respectfully submitted,
